

## AAPI Results: NGW Facilitator Trainings

FNC-GA has permission from Dr. Stephen Bavolek to administer the B assessment as the pre test and the A assessment as the post. These are aggregate-group scores from the most recent trainings for NGW. They show the scores on the 5 parenting constructs on which Nurturing God's Way is based.

## **IN CONCLUSION:**

\*\*\*The highest average change from the pre to post scores in the NGW training and prison class was in Construct C: Physical Punishment with an average improvement 1.97. The second highest change by construct was Construct E: Power and Independence with an average change of 1.61. There was improvement in every construct with the lowest improvement on average being 1.03 in construct B: Lack of Empathy which is a tough concept to teach, especially in groups with low literacy levels.
